NEWSLETTER FOR THE MONTH OF JULY - 2025

NATIONAL DOCTORS' DAY:

To honour the dedication and invaluable service of doctors, National Doctors' Day was celebrated with great respect and enthusiasm on 1st July 2025 at our school. The day serves as a tribute to the legendary physician Dr. Bidhan Chandra Roy, whose birth and death anniversary both fall on this date.

The celebration began with a special morning assembly, where students presented a thought for the day highlighting the significance of doctors in society. The program included a speech by a student representative, focusing on the role of doctors during critical times like pandemics and emergencies. This was followed by a skit performed by students from Grade VIII, portraying the life and challenges faced by doctors in rural and urban areas.

The Principal addressed the gathering and appreciated the noble service of doctors. He emphasized the importance of health education and encouraged students to be grateful and respectful towards the medical community. He also highlighted that some students may choose this noble profession in the future and make a difference in the world.

International plastic bag free day:

To raise awareness about the harmful effects of single-use plastic and to promote sustainable living, our school celebrated **International Plastic Bag Free Day** on **3rd July 2025** with enthusiasm and commitment to environmental protection.

The day began with a **special morning assembly**, where students shared a **thought-provoking quote** and an informative speech on the dangers of plastic pollution. The assembly aimed to remind everyone of the urgent need to reduce our dependence on plastic bags and opt for eco-friendly alternatives like cloth or jute bags.

As part of the awareness activities, students from **Grades VI to IX participated in a poster-making and slogan-writing competition** on the theme *“Say No to Plastic Bags.”* The colorful posters and creative slogans were displayed around the school premises to spread awareness among peers and staff.

In a symbolic gesture, all students **took a pledge** to avoid using plastic bags and to educate others about their harmful effects. Many students also brought **homemade cloth bags**, which they distributed to nearby shops and vendors as part of a community outreach initiative organized by the Eco Club.

The **Principal addressed the students** and appreciated their efforts. He emphasized the importance of such days in developing environmental responsibility among the young generation. He encouraged students to be role models in leading a plastic-free lifestyle and to motivate their families to do the same.

Students' council election:

The **Student Council Election** for the academic year 2025–2026 was successfully conducted on **5th July 2025** in a fair, democratic, and enthusiastic manner at our school. The main aim of organizing the election was to inculcate the values of leadership, responsibility, and democratic participation among students.

The preparations for the event began well in advance. A circular regarding the election was distributed on **28th June 2025**, informing students from **Grades I to X** about the election procedures. Students from **Grade IX** were eligible to contest for the post of **School Pupil Leader (SPL)** and **Assistant SPL**, while students from other grades could participate as voters or class representatives.

The **nomination process** took place on **1st July 2025**, where interested students submitted their names and campaign speeches. After a careful screening process by teachers and coordinators, the final list of candidates was announced. Each candidate was given the opportunity to **campaign for two days**, presenting their vision and promises to the student body through posters, speeches, and class visits.

On **5th July**, the school campus turned into a mini polling center. The **election process was organized in a structured manner**, with **ballot boxes**, **voter slips**, and **identity verification** to replicate a real-life voting experience. Students queued up class-wise to cast their votes in a peaceful and disciplined environment, under the supervision of teachers and student volunteers.

The election witnessed **active participation from both students and staff**, ensuring that the entire process was transparent, unbiased, and educational. Voter turnout was nearly 100%, reflecting the enthusiasm and democratic spirit among the students.

Once the voting was completed, the **ballot counting** was done in the presence of senior teachers and coordinators. The results were announced by the **Principal**, who congratulated the newly elected leaders and appreciated all the participants for their sportsmanship and confidence.

The newly elected **SPL, ASPL, and class representatives** took an oath to perform their duties sincerely and to be the voice of the students. They were reminded of their responsibilities and encouraged to lead with honesty, unity, and discipline.

World Population Day:

To raise awareness about the rising global population and its impact on resources, development, and the environment, **World Population Day** was observed on **11th July 2025** at our school with informative and impactful activities.

The day began with a **special morning assembly**, conducted by the students of Grade IX. The theme for this year's World Population Day was "**A Future Worth Choosing.**" The assembly included a **morning prayer**, followed by a **thought for the day**, a **speech** on the

importance of World Population Day, and a **short skit** that illustrated the problems of overpopulation such as unemployment, environmental degradation, and scarcity of resources.

Students from different grades prepared and presented **informative charts and posters**, which were displayed in the school corridors. These posters included slogans such as “*Control the Population, Save the Nation*” and “*Small Family, Happy Family.*” The poster display aimed to educate students about the challenges and possible solutions related to population growth.

A key part of the event was the **address by our respected Principal**. He delivered an inspiring and thoughtful speech focusing on the significance of World Population Day. He spoke about how population control is directly related to the development of a country and the improvement of the quality of life. The Principal also emphasized the role of education, especially for girls, in managing population growth and urged the students to become responsible citizens who understand the importance of resource conservation and family planning.

Investiture ceremony:

The **Investiture Ceremony** for the academic year **2025–2026** was held with great dignity and pride on **11th July 2025** at our school. The event aimed to officially appoint the newly elected **Student Council members**, including the **School Pupil Leader (SPL), Assistant SPL, House Captains, Vice-Captains, Discipline Leaders**, and other student office-bearers.

The ceremony commenced with a **march-past parade**, where the newly elected council members marched smartly and confidently to the beats of the school band, showcasing discipline and unity. The school grounds were filled with enthusiasm, and the atmosphere reflected the spirit of leadership and responsibility.

The event began with a **formal welcome speech**, followed by the **lighting of the lamp**, symbolizing wisdom and leadership. The school choir then rendered a melodious **welcome song**, energizing the gathering.

The highlight of the ceremony was the **badge presentation and sash ceremony**, where each member of the Student Council was called on stage and formally invested with their duties. The **Principal and senior teachers** pinned the badges and presented the sashes to the elected leaders. The moment was filled with pride for both students and parents.

Once the appointments were completed, the newly appointed council members took the **oath of office**, led by the Principal. They pledged to uphold the values of the school, fulfill their responsibilities with integrity, and work towards the betterment of the student body.

In his **address to the gathering**, the **Principal** congratulated the new leaders and encouraged them to lead by example. He emphasized that leadership is not just about titles and positions, but about actions, discipline, and service. He urged them to remain humble, focused, and committed to their duties.

A few student leaders then stepped forward to **share their thoughts and express their gratitude**. They thanked the school management and their peers for the trust placed in them and promised to perform their duties with sincerity and commitment. The ceremony concluded with the **National Anthem**, followed by a **vote of thanks** delivered by a teacher coordinator. The event was a grand success and instilled a deep sense of responsibility and pride among the newly elected leaders.

Periodic Assessment - I:

At DMI St. Joseph Global School, the **Periodic Assessment 1 (PA-1)** examinations for **Grades I to IX** began on **14th July 2025** in a systematic, disciplined, and well-coordinated manner. The exams aim to assess the students' academic performance for the first term and reinforce their understanding of the concepts taught in the classroom.

Prior to the commencement of the exams, a detailed **exam schedule** was shared with students and parents through official communication channels. Teachers also conducted **revision classes and practice sessions**, ensuring that all students were well-prepared and confident.

On the first day of the exam, the atmosphere in the school was calm and focused. All safety and academic protocols were followed strictly. Students reported to school on time, and

examination materials were distributed systematically. Invigilators were assigned to each class to ensure the smooth and fair conduct of the exams.

Special attention was given to the **younger grades**, ensuring they were comfortable and guided properly. **Exam coordinators and class teachers** monitored the arrangements and offered continuous support to students throughout the examination period.

The **Principal and academic coordinators** regularly visited classrooms to observe the process and boost the morale of students. The management ensured that a quiet and supportive environment was maintained in all exam halls.

Students responded with seriousness and dedication. Their punctuality, discipline, and neat presentation reflected the school's strong academic culture. Teachers were also appreciated for their commitment in guiding the students throughout the preparatory phase.

Educational Development Day:

On **15th July 2025**, DMI St. Joseph Global School celebrated **Educational Development Day** to mark the birth anniversary of the great leader and former Chief Minister of Tamil Nadu, **Thiru K. Kamaraj**, who played a key role in promoting education for all.

The celebration began with a **special assembly**, where our **students delivered speeches** highlighting the life, vision, and contributions of Kamaraj, especially his efforts in making education accessible to the underprivileged through initiatives like free education and the midday meal scheme.

As a mark of respect, our **school staff members, Principal, and Sister** paid a **floral tribute** to the portrait of Thiru K. Kamaraj. This gesture reflected the deep appreciation of his legacy and his dedication to the cause of education.

The program served as a reminder of the value of education in shaping society and inspired students to follow the path of knowledge, discipline, and service.

Green Day:

On 18th July 2025, the **KG students of DMI St. Joseph Global School** joyfully celebrated **Green Day** to spread awareness about the importance of greenery and nature.

The little ones came dressed in beautiful **green-colored outfits** and brought green fruits, vegetables, and leaves. Classrooms were decorated with green balloons, charts, and cut-outs of trees, plants, and animals.

Teachers conducted fun activities like **coloring, singing rhymes, and nature walks** to help the children recognize the color green and understand its importance in our environment. The celebration helped instill a love for nature and the concept of “Go Green” in young minds.

National Mango Day:

On **18th July 2025**, the **Kindergarten students of DMI St. Joseph Global School** celebrated **National Mango Day** with great excitement and joy. The event was organized to help children learn about the “**King of Fruits**”—the mango.

Children came dressed in **yellow and green outfits**, representing the color of ripe mangoes and mango leaves. Classrooms were beautifully decorated with mango-themed art, balloons, and charts. Students brought **mangoes and mango-based dishes** like mango juice, mango slices, and mango puddings.

Fun activities such as **mango coloring, rhymes, storytelling, and tasting sessions** were conducted. Teachers explained the health benefits and varieties of mangoes in simple and interactive ways.

The celebration was both **educational and enjoyable**, and it left a fruity smile on every child's face!

International Tiger Day:

On **18th July 2025**, the **KG students of DMI St. Joseph Global School** celebrated **International Tiger Day** to raise awareness about the importance of protecting tigers and wildlife. Children came dressed in **tiger-themed outfits**, face masks, and orange or black clothes. The classrooms were decorated with **pictures of tigers, jungle scenes**, and slogans like *“Save Tigers, Save Nature.”* Teachers conducted engaging activities like **tiger mask-making, coloring, rhymes, and storytelling** about jungle animals. The children were excited to learn fun facts about tigers and their role in maintaining ecological balance. The event was both **fun and educational**, helping the little ones understand the need to protect wildlife in a playful way.
