

# DMI ST. JOSEPH GLOBAL SCHOOL

AGARAKATTU, TENKASI – 627852

**NEWS LETTER FOR THE MONTH OF FEBRUARY - 2025**

## **SPIRITUAL EVENT**

A special mass was organized on 14th February 2025 for the tenth-grade students to motivate and support them in their preparation for the upcoming board exams. The mass, conducted by Rev. Fr. Arulanantham focused on themes of perseverance, faith, and maintaining a calm and positive mindset during this stressful period. The mass provided the students with emotional and spiritual support, encouraging them to trust in their efforts and approach their studies with confidence.

## PTM

A Parent-Teacher Association (PTA) meeting took place on February 15, 2024, at our school, bringing together parents, educators, and the school administration. The primary goal of the meeting was to strengthen collaboration and communication to enhance the overall growth and success of the students. The agenda included updates from the Principal, teachers' reports, and discussions on upcoming events. Parents and teachers actively contributed by sharing their thoughts and suggestions, which led to actionable items and follow-up tasks. Overall, the meeting was an engaging and productive platform that helped foster a strong sense of community, benefiting both the students and the school.

## AWARDS AND ACHIEVEMENTS

Champions Chess Academy, Melagaram, organized an exciting chess and art & craft competition that brought together talented participants from various schools. The event highlighted exceptional skill in both chess and creative arts, providing an excellent platform for students to showcase their abilities. Among the winners, Alston Marc secured the 5th prize in chess, demonstrating impressive strategic thinking and focus. Arobana claimed the 3rd prize in chess, further emphasizing the competitive spirit and talent of the participants. In the art & craft category, Ram Kumar, won the 1st prize, showcasing remarkable creativity and craftsmanship. The achievements of these students reflect their hard work and dedication, and they have made their school proud with their outstanding performances in both chess and art & craft.

## EYE CHECKING CAMP

Dr. Agarwall's Hospital organized an eye check-up camp at our school for the public, including students, parents, and staff. The camp aimed to raise awareness about eye health and provide free eye examinations. Participants underwent thorough eye tests, and those with vision issues were given prescriptions or referred for further treatment. An

awareness session was also conducted to highlight the importance of regular eye check-ups. The event was well-received, with many appreciating the opportunity for easy access to eye care services. Overall, the camp successfully identified vision problems and provided valuable health insights to the school community.

## OTHER ACHIEVEMENTS

On 9th February 2025, a competition was held at Global Public School, Idaikkal, in which students participated in various events. Among the participants, two of our students achieved remarkable results. Muvithra from secured 2nd place in the Bharatam dance competition, showcasing her excellent performance and dedication. Additionally, Isha Balasree won 3rd place in the Chess competition, demonstrating her strategic thinking and skill. Both students represented the school with pride, and their achievements were celebrated by their peers and teachers. The competition was a great success, providing students an opportunity to showcase their talents in a supportive environment.

## ADMISSION INITIATION

A canvassing initiative for the next academic year was conducted every day after school hours, aiming to promote enrollment and inform both current and prospective students and their families about the upcoming session. During this time, flyers and brochures were distributed, and personalized interactions took place to answer questions about the school's curriculum, extracurricular activities, and admission process. An information booth was also set up for parents to gather more details. The response was positive, with many families expressing interest in enrolling their children for the next year. The initiative proved effective in increasing awareness and driving early registrations.

## SCIENCE SPARK 2025

DMI St. Joseph Global School, Agarakattu successfully hosted its much-awaited National Science Day Exhibition, "SCIENCE SPARK 2025", on February 28, 2025. The exhibition, which was open to students from KG to Grade IX, showcased an impressive array of scientific models, projects, and experiments created by our talented students. The event saw enthusiastic participation from students who displayed their creativity and scientific skills through innovative projects. The exhibits ranged from simple yet insightful science models to advanced experiments, all reflecting the students' curiosity and hands-on approach to learning. The exhibition served as an excellent platform for the young minds to explore their interests in science and showcase their hard work and dedication.

## ANGADIWALA

On February 21, 2025, students from DMI St. Joseph Global School attended the "Angadiwala" Food Festival at JP College of Arts and Science. The festival offered an exciting and educational experience for all participants, allowing them to explore a wide variety of cuisines and food cultures. The students had the opportunity to visit different food stalls, observe food preparation techniques, and learn about the cultural significance of various dishes. The event also provided valuable insights into food science, nutrition, and the importance of healthy eating habits. Throughout the event, students were engaged, showing curiosity and excitement as they explored the different food exhibits. Their active participation helped foster a sense of teamwork and cultural appreciation.
