NEWSLETTER FOR THE MONTH OF NOVEMBER- 2024

➤ **ACHIEVEMENTS**

11 students from our school participated in various competitions organized by the District Sports Association. The events included Silambam, yoga, and skating. The students showcased their talents and skills in their respective disciplines, demonstrating their hard work and dedication. In the Silambam competition, the students displayed their rhythmic movements and coordination, while in the yoga competition: they showcased their flexibility and mental focus. In the skating competition, the students demonstrated their speed, agility, and balance. The events were witnessed by a large audience,

including college staff, students and parents. District Sports Association organized the event to promote sports and games among college students, and to identify and nurture young talent. The association aims to encourage students to participate in various sports and games, and to develop their physical and mental well-being. Overall, the event was a huge

success, with the students displaying their talents and skills in various disciplines.

KG CELEBRATION

➤ YELLOW DAY CELEBRATION

The KG department of our school celebrated Yellow Day with great enthusiasm and excitement on Nov 08, 2024. The celebration was a wonderful opportunity for our young students to learn about the color yellow and its significance in our daily lives. Children wore yellow attire, engaged in arts and crafts, and took part in games that helped them learn about the significance of the color. The celebration fostered creativity and joy, while also promoting a sense of community among the young learners. It was a memorable day filled with laughter, learning, and colorful experiences. The classroom was decorated with bright yellow balloons, streamers, and flowers, creating a vibrant and cheerful atmosphere. The students and teachers were dressed in yellow attire, adding to the festive spirit. The teachers also explained the importance of the color yellow in our daily lives, such as the sun, flowers, and fruits. The students then participated in various activities, such as painting, drawing, and crafts, all centered on the color yellow. They also played games and enjoyed yellow-colored snacks and drinks. The celebration was a huge success, and the students had wonderful time learning about the color yellow. The event helped to develop their cognitive skills, creativity, and social skills. The Yellow Day celebration was a wonderful event that brought our young students together to learn, play, and have fun. The event was a huge success, and we look forward to celebrating many more colorful events in the future.

❖ English Excellence Awards

Every Monday, Honors Assembly at our school recognizes students who demonstrate exceptional skills in speaking English. This week, 7 students were felicitated with certificates and medals for their outstanding linguistic abilities. The awardees, spanning across various grades, showcased remarkable fluency, vocabulary, and confidence in their English communication skills. The Administrator and Principal congratulated the students, emphasizing the importance of effective communication in today's globalized world. The recipients beamed with pride as they received their well-deserved recognition, inspiring their peers to strive for excellence in language proficiency. This ongoing initiative encourages students to hone their English speaking skills, fostering a culture of eloquence and articulation within the school community.

III - PERIODIC EXAM:

III Periodic exams were successfully conducted for all students from KG to IX. The exams aimed to assess students' understanding and progress in various subjects. The exams were conducted smoothly. The question papers were well-structured and comprehensive, covering all aspects of the curriculum. The exams were designed to evaluate students' knowledge, understanding, and application of concepts learned during the academic year. All students from KG to IX participated in the exams, demonstrating their commitment to academic excellence. The results of the Periodic III exams will be shared with students and parents shortly. The results will provide valuable insights into students' strengths and weaknesses, helping teachers to tailor their instruction and support. Teachers will analyze the results to identify areas of improvement and develop strategies to support students. Parent-teacher meetings will be scheduled to discuss students' progress and provide feedback. The exams demonstrated the school's commitment to academic excellence and student success.

❖ LISTENING ASSESSMENT

communication abilities.

As part of our ongoing efforts to refine language skills, we conducted weekly Listening Assessments for students from Grade III to VIII. This systematic evaluation aimed to evaluate and improve listening skills among students, enhancing their comprehension and

❖ HANDWRITING ASSESSMENT:

On November 26, 2024, we conducted our monthly Handwriting Assessment for students from Grade III to VIII. It is an essential aspect of their overall writing abilities. Handwriting assessment is crucial in identifying areas of strength and weakness, enabling teachers to provide targeted support and improve students' overall writing skills. By prioritizing handwriting instruction and practice, we can foster better academic outcomes and enhance students' communication skills.

❖ CODING CLASS

Our weekly App Development Program on Saturdays, provided students with comprehensive training in designing, coding, and deploying mobile applications. It aimed to equip students with fundamental coding skills and hands-on experience in mobile app development. It provides an overview of the program's structure, outcomes. Introduce students to app development and programming concepts. It provides hands-on experience with industry-standard tools and technologies. Foster creativity, innovation, and problem-solving skills and Prepare students for a future in technology.

❖ ABACUS CLASS

Abacus Class provided students with a comprehensive and engaging platform to develop mental math skills, concentration, and cognitive abilities. The abacus class has been a valuable addition to our school's math program, enhancing students' skills and confidence. We look forward to building on this success and exploring further integration with our curriculum. It enhances cognitive abilities such as concentration and memory.

❖ EXTRA-CURRICULAR ACTIVITY

Our school organized a range of extra-curricular activities every Friday and Saturday, catering to varied interests in Silambam, Bharatham, Yoga, Taekwondo, Chess, and Skating. Extra-curricular activities (ECAs) play a vital role in students' overall development, providing opportunities for growth, exploration, and skill-building beyond the classroom. This report highlights the ECAs offered in our school, their benefits, and student participation. Extra-curricular activities are an essential aspect of student life, providing valuable experiences and skills that complement academic learning. We are proud of our students' enthusiasm and achievements in ECAs and look forward to expanding and improving our offerings.

❖ Children's Day celebration

The Children's Day celebration was a grand success at our school, with teachers conducting various fun activities for the students. The program was a grand success, with our School Prefect (SPL) and Assistant School Prefect (ASPL) gracing the occasion as the chief guests. The event was a wonderful opportunity for our teachers to showcase their talents and celebrate the joy of childhood. The celebration began with a special assembly, where teachers welcomed the students with a warm and enthusiastic speech. The students were then treated to a variety of fun activities, including games, quizzes, and art competitions. These activities were designed to promote teamwork, creativity, and problem-solving skills among the students. The highlight of the celebration was the cultural program, where teachers and students participated in various performances, including dance, skit, song, verse, and speech. The principal addressed the students with a wonderful message,

emphasizing the importance of childhood and the need to cherish and nurture it. The principal and Assistant Administrator also appreciated the efforts of the teachers in making the celebration a success and encouraged the students to continue striving for excellence. The Children's Day celebration was a memorable event that brought our students and teachers together in a spirit of joy and camaraderie. It was a wonderful reminder of the importance of childhood and the need to provide our children with a nurturing and supportive environment that fosters their growth and development.

* Book Fair:

On November 22, 2024, 31 students from grades 6 - 8 attended the book fair conducted by the Department of Education. The event provided a unique opportunity for our students to explore a vast collection of books, interact with authors and publishers, and develop a love for reading. The students were accompanied by 2 teachers, who ensured their safety and supervision. The students behaved responsibly and respectfully, reflecting positively on our school. During the book fair, students browsed through various stalls and purchased books. The book fair field trip achieved its objectives, which were, to foster a love for reading among students, to provide students with access to a diverse range of books, to encourage students to develop their critical thinking and analytical skills. The book fair field trip was providing our students with a unique and enriching experience

❖ Monthly Competition:

Our school organized a monthly competition for students of all grades, aiming to foster a spirit of healthy competition, creativity, and teamwork. The event was a huge success, with enthusiastic participation from students and support from teachers and parents. The competition was

divided into three categories: KG, Grade 1-5, and Grade 6-10. The KG students participated in a "Junk Food Fashion Show," where they dressed up in creative costumes made from junk food packaging materials. The students showcased their creativity and imagination, and the event was a huge hit. The students from Class 1-5 participated in a "Just a Minute" competition, where they were given an on-the-spot topic and had to speak about it for one minute. The students demonstrated their confidence, creativity, and public speaking skills, and the judges were impressed with their performances.

The students from Class 6-10 participated in a "News Bulletin" competition, where they had to read the news with good pronunciation and expression. The students demonstrated their knowledge of current events, their reading skills, and their confidence in speaking in front of an audience. The competition was judged by our sisters and principal, who provided valuable feedback and encouragement to the participants. The winners of each category were awarded prizes and certificates, recognizing their outstanding performance and achievements.

❖ The Grammar Capsule Exam:

The Grammar Capsule Exam was conducted for students of grades 3-9 on November 30, 2024. The exam aimed to assess students' understanding and application of grammar concepts, vocabulary, and sentence structure. It was designed to test students' knowledge and skills in grammar. The questions were carefully crafted to cover various aspects of grammar. The students demonstrated a good understanding of grammar concepts, with many showing exceptional skills in identifying and correcting grammatical errors. The exam also revealed areas where students need additional support and practice, such as in the use of modal verbs, passive voice,

and complex sentence structures. The results of the exam will be used to inform instruction and provide targeted support to students who need it. Grammar Capsule Exam was a valuable assessment tool that provided insights into students' understanding of grammar concepts. The exam results will help teachers to better support students in their language development journey. Teamwork, making valuable contributions to the department's vibrant academic and extracurricular landscape. The awards acknowledged their impressive skills, creativity, and perseverance, showcasing their potential to excel in their chosen fields. As they received their well-deserved accolades, the students' beaming smiles reflected their sense of accomplishment and pride. This celebration not only honored their achievements but also inspired their peers to strive for excellence, fostering a culture of innovation, collaboration, and mutual support within the department.
